*Aardvark: Dynamic Content  
CentraComm: Robust Connectivity & IT Solutions...  
Combining to Create a Customized Strategic Business  
Tool for Your Business!*

Dear

Mark Thursday, May 9<sup>th</sup> on your calendar now to attend Findlay Business Expo 2002: Gear Up for Success!  
While you are there,

Visit the Aardvark, Inc. and CentraComm Communications booths to learn how to...

1. **Earn higher profits** by using the Internet as a strategic business tool.
2. Learn new ways to **secure your network** from corporate espionage and business disruption.
3. Understand how you may **extend market reach** by marketing through the Internet.
4. Investigate the creation of a "wire-free" working environment that can greatly **enhance the flexibility** of your organization.
5. **Increase your sales** by creating another sales channel using eCommerce.
6. Achieve **improved training or marketing results** through the effective utilization of Multimedia.

To sum this all up, discover how to **increase profitability** while reducing costs and gaining operational efficiencies by utilizing the Internet and networking technologies as strategic business tools. A C2C assessment will help you do just that!

So, invest your time wisely with quick results. Come to the Expo, learn more about the other wonderful businesses that are in our region, and at the same time obtain a **free C2C assessment**. Our analysis will provide you with the preliminary information needed to make informed decisions about how to:

- improve productivity;
- cut business costs;
- expand your customer base; and,
- increase bottomline performance by implementing a customized C2C solution for your business.

In addition, you may also **win a new DVD player**. Your name will be entered in a drawing for a new Sony DVD player just for taking the time to complete a **free** C2C needs assessment. Not only will you gain valuable information for your business, but you may also win a new DVD player.

The Business Expo is scheduled from 10 a.m. to 8 p.m. on Thursday, May 9<sup>th</sup> at the Koehler Center at The University of Findlay. Our team will be available to talk with you throughout the day with no obligation expected. If you have any questions, please give one of my team members or me a call at 419-422-8401, X 131

Sincerely,

Lynn Child, CEO
