Dear Mike:

Thank you again for all of the help you gave me with my website. The quality of your design was excellent. Your ability to timely respond to all of my requests for modification of the website was extremely helpful in the course of a political campaign when events were occurring so rapidly. Website material has become very important as part of an effective campaign. I am so glad that you were there when I needed you.

Sincerely,

A handwritten signature in cursive script that reads "Scott Ramey". The signature is written in dark ink and is positioned above the printed name.
