

Service – Selection – Quality

At Carpet Spectrum we have over a decade of experience helping people find the perfect flooring. Our service, selection, and quality simply won't be beat anywhere. For the busy professional or family we will even come to you with our convenient shop at home service. If you need flooring, you simply must experience the Carpet Spectrum difference.

We Offer:

Carpet - We offer a full range of carpets and styles to fit any home and any budget.

Tile - Ceramic, marble, stone, porcelain, and granite. Our tile selection includes a wide range of colors and styles as well as unique and specialty order products.

Hardwood & Laminates - We offer extensive selection of hardwoods from oak to more exotic woods such as Brazilian Cherry as well as laminates.

The Carpet Spectrum has been locally owned and operated by David Joseph and John Chesick. We have combined experience of over three decades in the flooring business.

David and John as well as many members of their team have an extensive background in decorating. We can help you select the perfect flooring for either home or office and find a product that will meet your sense of style and need.

Let the experienced team at The Carpet Spectrum assist in making your home the most beautiful place in the neighborhood with the best service, selection and quality you will get anywhere.
