## Discover The Benefits of a Deep Down All Natural Chemical Free Clean!

As you sit here reading this there is bacteria and germs that are multiplying right under your feet! Carpets hold a lot of dirt, germs, and bacteria. Most carpet cleaning companies can't remove this dirt because they use a simple surface cleaning that leaves the deep down dirt and bacteria intact!

Even worse most companies use petroleum based cleaning agents; the same stuff gas is made out of to clean your rugs. These chemicals stay in your carpet where your children and pets play...

Most companies have poorly trained low paid workers who don't clean well, miss areas, and basically do a poor job. We want you to have a different experience...

### Experience the Fiber Clean Difference Today!

**Deep Clean:** Our cleaning removes the deep down, hard to reach dirt that the other companies miss. When we are finished your rugs will be cleaner than the day they were new! Don't you and your family deserve the best possible clean?

**All Natural – Chemical Free:** Our cleaning agents are made from all natural citrus extracts that are 100% natural. It is safe for your children and your pets. You won't find any dangerous or harsh chemical residues in your carpet when we are finished.

**Total Clean:** Our cleaning is the most thorough and complete in business. We carefully clean every inch of carpet and will do what it takes to get a total clean, including moving furniture and spending extra time on trouble spots. What you are left with is a wall to wall beautiful, fresh, and deep clean!

Experience the difference of a family owned and operated local business that gives personal attention, quality service, and outstanding results today. Experience the friendly and professional staff of Fiber Clean!

## **We Make Dirty Carpets Sparkling Clean!**

### **Deep Down All Natural Chemical Free Carpet Cleaning Service**

Most carpet cleaning companies leave more than dirt behind...

They also leave harsh chemical residues that strip years off the life of your carpet. If these chemicals are so harsh that they take years off the life of your carpet what do you think it does to your children and pets?

Fiber Clean offers an alternative. We have over 10 years of experience cleaning residential carpets and use state of the art cleaning technology that gets all the dirt, germs and mold that other companies leave behind. In addition, we do it with an all natural cleaning agent that is safe for children and pets as well as extending the life of your carpets for years.

- **Long Lasting Deep Clean:** Our cleaning gets deep down into the carpet to get all the dirt, mold, and germs from the carpet. Your fresh clean carpets will stay cleaner longer!
- **Kills and Removes Germs:** Our cleaning system uses super hot steam to kill all the germs down to the core then a high powered vacuum system to lift it safely from the carpet and out of your house!
- **Fresh Natural Clean:** Our cleaning agents are all natural and won't leave harsh chemical residues on your carpet. It is powerful enough to kill the germs and remove the dirt but gentle enough for pets and children.
- **Fast Drying Time:** Because we use a high powered vacuum system we remove nearly 100% of all the water we put down leaving you with fresh clean carpet that dries faster than with other companies.
- **Total Wall To Wall Clean:** We take pride in our work and insure that we clean every square inch of carpet – corners, under furniture, and other hard to reach areas. Ask yourself if we are this thorough with the areas you can't see imagine how clean the areas you *can* see will be!
- **Professional Courteous Service:** You will not only get deep cleaned, healthy, fresh carpets, but fast, friendly, and professional service.

We invite you to experience the Fiber Clean difference today. We offer the best service for the money in the area. We will give you a 100% money back guarantee; if you are not totally satisfied with our service we will refund 100% of your money! Quality and value, that is the Fiber Clean difference.

## Pets

### **Ever Wonder What Your Friends and Family Say About Your Carpet Smell**

Have you ever moved your furniture to cover up a pet stain? How much have you spent to get rid of the smell of a pet accident? People adore their pets, but not the smell of the accidents they have. We understand this problem and can help.

Most carpet cleaning companies use inferior cleaning methods and are unable to clean a stain or remove a smell. Instead of admitting they can't do the job they use heavy scents and chemicals to cover up the smell! Unfortunately the stain and smell is still there. We have a better solution!

### **The Fiber Clean Difference... Experience, Improved Technology, and Superior Cleaning!**

We often are called in behind the other companies who have failed to remove the pet stains and smells. As a result we started investigating a better way to clean. We have found revolutionary products and solutions that other companies wish they had.

We will remove your pet stains and smells in one week guaranteed or you don't pay, it is that simple! That is how much we trust our methods over those of other services. The best thing of all is that you and family can be sure that smell is gone – not just masked.

You will be more confident when friends and family visit that the smell is gone, period.

## **Our Duct Cleaning Makes Dirty Air Into Fresh, Healthy and Clean Air**

Most people don't realize that the air inside their home can be far more polluted than outdoor air and present a serious health hazard to you and your family. To make the problem worse many people spend a great deal of time indoors and are continually exposed to the dust, pollen, bacteria, mold and fungus.

To make the problem worse is dampness that collects in your duct work. Water leaks, condensation and other dampness in the duct work mixes with the dirt and bacteria and provides the ideal location to breed additional germs and bacteria that puts you and your family at risk.

Unfortunately there are a lot of dishonest companies out there that give bad information and worse service. When it comes to cleaning your ducts and improving your indoor air quality you need honest, reliable, and effective service.

We will provide a full inspection of your entire duct work and heating/cooling system to provide you with an honest evaluation of your problem and the most effective cleaning solution. Call us to learn the benefits of clean, healthy and fresh air today! We provide:

**Total Clean:** Our system is a powerful van mounted vacuum system that pulls all the deep down dust, mold, and bacteria out of your duct work.

**Clean the Source not just the Symptoms:** We realize that cleaning at the source of the dust, dirt, bacteria, and pollen is the key to an effective cleaning. We clean the ducts, returns, filters, housings, and other areas to insure a total source clean.

**Free Digital Image Inspection:** We use a remote digital imaging system to inspect your ducts BOTH before and after the cleaning to show you the effectiveness of our cleaning process.

**Iron Clad Guarantee:** If you are not totally happy with our first cleaning we will gladly clean the system again at no cost and if you are still not happy, you don't pay anything... not one red cent. That is one of the best guarantees in the business.

Fiber Clean is member of the National Air Duct Cleaners Association certified by NADCA to perform HVAC system cleaning. We are fully insured and licensed and can provide full references of our work upon request. We promise you the best most complete duct cleaning in the business. Call today to experience the Fiber Clean difference!
